New Members

New Registered Teacher and Associate Membership applications will be accepted all year round. Registered Teachers, Associate Members, Student Members and Friends can apply to join bbodance at any time.

Student and Friend Membership will run for 1 year from the date of joining.

Registered Teachers and Associate Membership will run until 31st August. Fees for members joining throughout the year will be calculated according to the month joined. There are 3 fee points: September, January & May.

Renewals

Registered Teachers and Associate Members

Registered Teachers and Associate Members can renew their membership at any point throughout the academic year. However, renewals received after the 31st October will incur a **lapsed fee of £50**, charged in addition to the respective **annual** membership fee. The reduced fees for new members joining throughout the year is only applicable to new Registered Teachers and Associate Members and will not be applied to those who are renewing their membership.

If membership has been inactive for 2 or more consecutive membership periods, the member will need to reapply for membership as a new member.

bbodance will endeavour to communicate membership renewal reminders in advance of membership expiry dates. However, it is the sole responsibility of the member to renew their membership within the given entry periods in order to avoid incurring any lapsed fees or penalties and to continue to receive the benefits of membership.

Student Members and Friends

Student Members and Friends can renew their membership at any time.

bbodance will endeavour to communicate membership renewal reminders in advance of membership expiry dates. However, it is the sole responsibility of the member to renew their membership in order to continue to receive the benefits of membership.
