Summary

Grades 4 and 5

Grades 4 and 5 are aligned with Level 2 of the Regulated Qualifications Framework (RQF). These Examinations are offered in a range of genres and are available to any Candidate, with or without previous dance experience. Successful Candidates receive a Level 2 Award in Graded Examination in Dance.

Grades 4 and 5 are conceived as a progression which covers a basic dance vocabulary at an achievable pace for students attending one or two dance classes per week. Candidates are advised to complete each Graded Examination in succession.

Intermediate Foundation

The Intermediate Foundation Examination is a Vocational Graded Examination aligned with Level 2 of the RQF. Successful Candidates receive a Level 2 Certificate in Vocational Graded Examination in Dance.

Intermediate Foundation marks the beginning of the Vocational Graded Examination route which differs in the volume of work from Graded Examinations at the same level.

Candidates may choose to do one or more Examinations at Level 2 in various genres, choosing from both the Graded and Vocationally Graded Examinations.

Objectives

The objectives of Level 2 Graded and Vocational Graded Examinations in Dance are to:

- provide access to nationally recognised Examinations in Dance
- provide a broad education in and through dance which is accessible for all children, young people and adults, with or without prior dance experience
- contribute to the development of a wide range of competencies and life skills, such as motor control, health and safety awareness, self-expression, physical fitness and stamina, discipline, mental ability and confidence
- provide a sound platform in dance knowledge and skills for progression to subsequent Graded and/or Vocational Graded Examinations at Level 3 (Grades 6-8 and Intermediate).

Aims

The aims of Level 2 Graded and Vocational Graded Examinations in Dance are to:

- promote the study of dance as a leisure and/or vocational activity
- provide a means of measuring the acquisition of technical, musical and dance performance skills
- promote and encourage enjoyment of dance as a form of physical exercise
- provide all Candidates with an opportunity of experiencing dance accompanied by live or recorded music
- encourage personal self-confidence and group awareness through the experience of dancing solo, with partners and in small groups
- aid the development of a general appreciation of music through dancing to various musical styles and rhythmic patterns
- motivate students by providing a series of clearly defined goals which have been structured to reflect the principles of safe dance practice
- provide Teachers with a means by which to develop and monitor individual progress of their students
- reward achievement and motivate further learning.

Fitness for Purpose

A qualification will only be fit for purpose if it secures the requirements of:

- validity
- reliability
- comparability
- manageability
- minimising bias

bbodance aims to meet these requirements through a rigorous internal Quality Assurance Framework which includes:

- identifying and mitigating conflicts of interest in the delivery of Examinations
- adopting policies and procedures which encourage access to Examinations, minimise or remove barriers, and treat all students and Candidates without bias
- providing initial Examiner training which includes seminars, 'shadowing' existing Examiners and a mentoring support scheme
- providing on-going training for Examiners and monitoring their work through annual seminars, moderation and standardisation exercises
- undertaking regular reviews of syllabus content, Examination procedures and marking methodologies in order to meet regulatory requirements and the needs of Examination 'users'
- undertaking statistical analysis of marks and adjustment where appropriate
- monitoring the use of Reasonable Adjustment and Special Consideration procedures and sharing best practice with other dance Awarding Organisations
- maintaining an appropriately skilled, competent and dedicated team of staff to design, deliver and quality assure dance Examinations.

Entry Criteria

No previous dance qualifications are necessary in order to enter for Level 2 Graded or Vocational Graded Examinations.

Graded and Vocational Graded Examinations are open to Candidates of any age, although bbodance recommends that Candidates should be aged 10 or above before undertaking the Grade 4 Examination, and aged 12 or above before undertaking the Grade 5 and Intermediate Foundation Examinations.

For students who wish to undertake an Examination at an earlier age, we offer Level 1 Awards in Dance for which bbodance recommends that Candidates should be aged 7 or above before undertaking the Grade 1 Examination. These Examinations can help prepare Candidates for Level 2 Awards and recognise achievement at earlier stages of learning. We also offer Introduction to, Pre-Syllabus, Pre-Primary and Primary in Dance Examinations in multiple genres for students below the age of 7.

2. Learning Outcomes and Assessment Criteria

Learning outcomes describe in broad terms what a Candidate should know, understand or be able to demonstrate during the Examination. Each bbodance Examination is underpinned by a set of learning outcomes which are appropriate for the level of the award.

Assessment criteria specify the standard a Candidate is expected to meet in order to demonstrate that the learning outcomes have been achieved. Each bbodance Examination is marked according to a series of assessment criteria which reflect the level of the award.

Level 2 Descriptor

Candidates who have successfully completed a Level 2 Award (Grades 4-5) or Level 2 Certificate (Intermediate Foundation) have demonstrated sound knowledge and understanding of the set movement vocabulary in a selected dance genre. They have shown technical proficiency throughout, although there may still be some areas in need of development. Spatial awareness is clearly evident in floor patterns and in accommodating other Candidates. There is clear understanding of a range of musical rhythms and dynamics as the basis for expressive movement. At this level, Candidates can demonstrate a clear sense of performance, although this may not always be fully sustained.

Grade 4-5 and Intermediate Foundation Assessment

- verbally respond to theory questions

For Level 2 qualifications Candidates are expected to demonstrate an increasing vocabulary of dance steps and an increasing awareness and control of dance technique. Candidates are expected to demonstrate knowledge of vocabulary as defined by the chosen syllabus content. A secure understanding of dance technique is reflected in the ability to co-ordinate movements to produce combinations of steps with appropriate quality of movement (i.e. precision and control), within the range of the Candidates' physical capacity.

Candidates are required to communicate an increasing confidence in performance. They should be able to interpret music and display a developing sensitivity to musical content and style. Candidates' performances

should communicate a developing spatial awareness, an ability to work with others and responsiveness to an audience.

3. Syllabus Content

A detailed genre-specific syllabus for each Examination can be found on the website and can be downloaded for free (bbodance Registered Teachers and Associate Members only) or purchased from our online shop.

Candidates will be examined through the performance of the prescribed Examination Content as set out in the genre-specific syllabi. The Examination is mainly practical in nature, with the inclusion of theory questions, related to vocabulary covered in the syllabi; both verbal and physical demonstration responses are acceptable.

bbodance upholds the rights of Candidates to be examined in their preferred gender identity. The majority of bbodance syllabi are gender neutral, however, where options have been presented based upon gender, the Candidate has the option to self-identify.

Pointe work is introduced for Vocational Graded Examinations, beginning with Intermediate Foundation. All Candidates who opt to undertake the Option A syllabi have pointe work examined and must obtain a mark of 4 or above for Footwork/Pointe work in order to be successful overall. It is recommended that considering pursuing further vocational ballet training choose to be examined in this area. All Candidates who opt to undertake Option B of Ballet syllabi must obtain a mark of 4 or above in Elevation.

The Learning Outcomes and Assessment Criteria detailed in Section 2 are differentiated across the Examination via three related assessment areas: technique, musicality and performance.

Technique, musicality and performance are assessed using a mark scheme which comprises a total of 100 marks, applied to the various elements as shown in the tables below.

Where genre-specific criteria differ, the mark scheme below denotes.

Achievement Descriptors

Distinction *

An excellent performance of the examined dance material, with some outstanding achievement in technique, musicality and performance quality. Candidates demonstrate an exceptional degree of technical control and spatial awareness with assured musical phrasing throughout. Artistic interpretation is outstanding and Candidates demonstrate a distinctive personal style and sense of performance. Overall, Candidates in this category surpass all expectations for the level.

Distinction

A very good performance of the examined dance material which may include excellent achievement against some of the assessment criteria. Candidates demonstrate a very high level of technical control overall, with confident musicality and clear artistic engagement. Musical phrasing, interpretation and sense of performance are assured but without the confidence and originality of the Distinction* Candidate.

Merit

A good performance of the examined dance material with clear evidence of the appropriate knowledge and skills for the level. Some aspects of technique may require fuller development but the level of control is good overall. Musicality is clearly evident but may not always be sustained in more complex dance sequences. Artistic engagement and a sense of performance may also be less assured but overall, the work is commendable.

Pass

An acceptable or adequate performance of the examined dance material with sufficient evidence of the appropriate knowledge and skills for the level. Control of technique with some inconsistencies across the full range of examined work. Some areas of the work examined show limited ability but overall the learning outcomes for the level have been met

Standard Not Yet Achieved

A limited performance of the examined dance material with insufficient evidence of the knowledge and skills required for the level. Technical clarity and control are not yet achieved. Musical awareness is not clearly demonstrated and there is a lack of performance style. Whilst there may be some potential ability, the learning outcomes have not been met; further study is required.

6. Total Qualification Time (TQT)

TQT is a measure of the time taken for an average student to complete a qualification. This figure is for guidance only and does not mean that all students must undertake a specified number of hours before undertaking Examination.

The TQT for Grades 4 and 5 is 95 hours with 75 hours of Guided Learning and 20 hours of Other Learning. The TQT for Intermediate Foundation is 275 hours with 150 hours of Guided Learning and 125 hours of Other Learning.

Guided Learning is the time set aside for teaching or supervising students, including weekly lessons, additional coaching and rehearsals.

Other Learning includes a diverse range of activities which support or extend the learning in class. These activities might include 'homework' tasks such as online dance research, reading books on dance technique, seeing a live dance performance or viewing a filmed extract online.

Following consultation with Awarding Organisations the figures for TQT were approved by the Council for Dance, Drama and Musical Theatre (April 2016).

7. Uniform

Recommended uniform for each genre is detailed in the bbodance Teachers' Handbook.

For all Examinations no jewellery or watches should be worn. Hair should be securely tied off the face and neck in an appropriate hairstyle for the genre. All Candidates in each Examination set should have the same uniform.

We encourage Examination Candidates to wear bbodance approved uniform because it is fit for purpose, ensuring the health and safety of Candidates and allowing freedom of movement. Approved uniform is supplied by Dansez and is available to purchase via <https://dans-ez.com/collections/bbodance>.

The bbodance approved uniform has been designed so that items can be mixed and matched across genres.
