Performance Awards

Entry – Level 4

bbodance¹ (formally the British Ballet Organization) was established in 1930 to improve standards of dance teaching. Our mission is to inspire excellence and promote the education, training and enjoyment of dance. We are an inclusive, innovative and dynamic organisation which supports its members through a lifelong partnership.

bbodance is accredited by the Council for Dance, Drama and Musical Theatre (CDMT) and offers Performing Arts Graded Examinations in Ballet, Tap, Jazz, Modern, Musical Theatre and Contemporary. Recognised under the Regulated Qualifications Framework (RQF), these Examinations are regulated by Ofqual and Qualifications Wales. The Examinations are delivered both nationally and internationally. The bbodance Performance Awards sit alongside the Graded Examinations, using excerpts of the same syllabi. However, the purpose of these Awards is to give Candidates the opportunity to undertake an Examination, even if the full assessment criteria of a Graded Examination cannot be met. bbodance Performance Awards are designed to be a level of attainment for students who enjoy their dance but do not wish to undergo the demands and commitment needed for Graded or Vocational examinations. The Performance Award gives the students the opportunity to attain an acceptable level of success within an approved bbodance standardisation, with continual access to the Graded Levels.

A Teacher may suggest these Awards if a Candidate would benefit from a 'stepping stone' between Graded Examinations, if a Candidate does not have the time to train for the requirements of a Graded Examination, if a Candidate has a disability / long term illness which impacts their training and ability to complete a Graded Examination, or if a Candidate wishes to continue to take Examinations and remain in the same class as peers, without the pressure of a Graded Examination. This is not an exhaustive list, bbodance support Teachers and Candidates with multiple training and Examination options, so that the best route for the Candidate can be provided.

This Specification sets out the aims, objectives, assessment criteria and content for the named qualification/s. Detailed genre specific syllabi can be found on the website, along with the Exercises which must be shown for the Performance Awards and can be downloaded for free (bbodance Registered Teachers and Associate Members only) or purchased from our online shop.

Performance Award Descriptor

Candidates who have successfully completed a Performance Award will have demonstrated sufficient levels of technical, performance and musical understanding of the exercises they have presented. This progressively increases in line with the bbbodance Graded and Vocationally Graded Examinations. However, due to the less demanding nature of a Performance Award, Candidates have an opportunity to performance key vocabulary required for a given genre and grade.

Performance Award Assessment

bbodance's Performance Awards are made up of small components of the bbbodance Graded and Vocationally Graded Syllabus.

In the Examinations Candidates will be assessed on their ability to:

- perform a series of prepared exercises in their chosen genre with a basic level of technical proficiency in relation to posture, weight placement, transference of weight, co-ordination of the whole body, control, line, spatial awareness and dynamic values
- dance, throughout the Examination, in time to the music and show responsiveness to the music

Achievement Descriptors

Distinction *

An excellent performance of the examined dance material, with some outstanding achievement in technique, musicality and performance quality. Candidates demonstrate an exceptional degree of technical control and spatial awareness with assured musical phrasing throughout. Artistic interpretation is outstanding and Candidates demonstrate a distinctive personal style and sense of performance. Overall, Candidates in this category surpass all expectations for the level.

Distinction

A very good performance of the examined dance material which may include excellent achievement against some of the assessment criteria. Candidates demonstrate a very high level of technical control overall, with confident musicality and clear artistic engagement. Musical phrasing, interpretation and sense of performance are assured but without the confidence and originality of the Distinction* Candidate.

Merit

A good performance of the examined dance material with clear evidence of the appropriate knowledge and skills for the level. Some aspects of technique may require fuller development but the level of control is good overall. Musicality is clearly evident but may not always be sustained in more complex dance sequences. Artistic engagement and a sense of performance may also be less assured but overall, the work is commendable.

Pass

An acceptable or adequate performance of the examined dance material with sufficient evidence of the appropriate knowledge and skills for the level. Control of technique with some inconsistencies across the full range of examined work. Some areas of the work examined show limited ability but overall the learning outcomes for the level have been met.

Standard Not Yet Achieved

A limited performance of the examined dance material with insufficient evidence of the knowledge and skills required for the level. Technical clarity and control are not yet achieved. Musical awareness is not clearly demonstrated and there is a lack of performance style. Whilst there may be some potential ability, the learning outcomes have not been met; further study is required.

6. Uniform

Recommended uniform for each genre is detailed in the bbodance Teachers' Handbook.

For all Examinations no jewellery or watches should be worn. Hair should be securely tied off the face and neck in an appropriate hairstyle for the genre. All Candidates in each Examination set should have the same uniform.

We encourage Examination Candidates to wear bbodance approved uniform because it is fit for purpose, ensuring the health and safety of Candidates and allowing freedom of movement. Approved uniform is supplied by Dansez and is available to purchase via <https://dans-ez.com/collections/bbodance>.

The bbodance approved uniform has been designed so that items can be mixed and matched across genres.
